March 10, 1971

Meeting was called to order at 8 p.m. by the Moderator, Richard L. Russman. Prayer was offered by Rev. Robert L. Howard, Pilgrim United Church of Christ. The Moderator introduced the Selectmen and the Town Clerk, and welcomed all new voters. He read the results of the balloting from the previous day.

The Moderator appointed the following to serve on the Finance Committee for a three year term: Selma Jackson, John Misenheimer, Eric Oleson and E. Alan Walker. He explained briefly the function of the Finance Committee which consists of 12 members, 4 appointed annually for a

three year term.

It was announced that the Board of Selectmen have appointed Norman S. Bailey as a member of the Planning Board.

ARTICLE 2 — A Motion was made to raise and appropriate \$177,261.54 to defray town charges for the ensuing year, after which an amendment was made and passed to reduce the budget \$2,000.00 to \$175,261.54 (to concur with the recommendation of the Finance Committee — cutting the Police Department by this \$2,000.00). The motion for \$175,261.54 to be raised to defray town charges for the ensuing year and make appropriations of the same, was passed — as amended.

ARTICLE 3 — It was voted to authorize the Selectmen and Town Treasurer to borrow such sums of money in anticipation of the collection of taxes for the current year and to issue in the name of the Town negotiable notes, the aforesaid notes to be paid during the current year from taxes collected during the year.

ARTICLE 4 — It was voted to raise and appropriate the sum of \$10,000.00 for the purchase of a new dump truck and snow plow, and trade in the 1964 truck. An amendment to see if the Town will authorize the Selectmen to sell the 1964 truck to the highest bidder and put the proceeds in the general fund was NOT passed. Hand vote on the article was Yes 174 and No 71. (Tellers were John Durling, Donald Sanborn, Andrew Christie, Jr. and David Mercer.)

ARTICLE 5 — It was voted to raise and appropriate the sum of \$1,400.00 to put on a penetrating and seal coat of Tarvia on the so-called Thorn Road.

ARTICLE 6 — It was voted to raise and appropriate the sum of \$7,000.00 to purchase an Ambulance to be used by the Kingston Fire Department, and to use the Fire Wards Capital Reserve Fund for this purpose.

ARTICLE 7 — It was voted to raise and appropriate the sum of \$690.54 and the State will contribute \$4,603.60 for Class IV and V Highways under the provisions of the T.R.A.

ARTICLE 8 – Voted on ballot (Term of office for Town Clerk)

ARTICLE 9 – It was voted to raise and appropriate the sum of \$800.00 for the Great Bay School Expansion Fund of the Great Bay School and Training Center, Newington, N.H.

ARTICLE 10 – It was voted to raise and appropriate a sum not to exceed \$7,000.00 for the repairing and widening of Great Pond Park Road.

ARTICLE 11 – It was voted (by an amendment) to have the Planning Board study the placing of Street Lights throughout the entire town and come through with the recommendation of same. (The Moderator ruled that the original article be stricken from the record, namely calling for six street lights on Newton Junction Road and West Shore Park Road in the sum of \$259.20 )

ARTICLE 12 – It was voted to appropriate \$3,000.00 along with \$1,000.00 already appropriated for the purchase and maintenance of the said police cruiser, a total of \$3,200.00 the balance to be used, for gas and maintenance.

ARTICLE 13 – It was voted to give the Selectmen authority to sell town land at Great Pond Park to abutting owners at a price commensurate with type and location of land. Purchasers of such lots to use same to increase lot size and so record lots as not being separate lots.

ARTICLE 14 – It was voted to increase the Kingston Planning Board from five members to seven members as provided by N.H. Law RSA 36:4.

ARTICLE 15 – Voted on ballot (Re: Mobile Home Parks and Units)

ARTICLE 16 – Moderator announced at start that he would call for a Secret Ballot on this article. If not passed, we would then take up Article 17. If passed, we would then pass over Article 17. After a lengthy discussion pro and con, the secret ballot was YES 116 and NO 211, meaning the article for the State Tax Commission to appraise all taxable real estate in the Town for tax purposes in conformance with the law, and to raise and appropriate the sum of \$6,000.00 this year as a

partial cost of reappraisal and that the remainder of the appraisal cost be appropriated in 1972 for this purpose, was defeated.

ARTICLE 17 — On a standing vote of YES 72 and NO 183, the article relative to employing the services of a commercial firm of appraisers to appraise all taxable real estate in the town for tax purposes in conformance with the law, and to raise and appropriate the sum of \$24,000. this year to cover the expense of said appraisal, was defeated.

ARTICLE 18 — It was voted to raise and appropriate the sum of \$1,000.00 for the support of the Greater Salem Mental Health Clinic.

ARTICLE 10 — It was voted to empower the Board of Selectmen to appoint a Recreation Commission, said commission to consist of five members to be appointed for one, two and three year terms.

ARTICLE 20 — Motion as amended was carried — that the Town instruct the Planning Board to give first priority to the study of A — Zoning and B — Sewage Disposal.

ARTICLE 21 — It was voted to authorize the Selectmen to sell Tax Deeded property at Public Auction.

ARTICLE 22 — It was voted to accept the Auditors' Report and the Town Report as printed.

ARTICLE 23 — A resolution was made: that in light of the growing population and the crowd present tonight, the Town Meeting be held at the Swasey Gymnasium beginning next year.

Special recognition was given to the retiring Selectman, Harry T. Snow, who has served the Town since 1943 in several offices — Auditor, Supervisor of the Check List, and Selectman.

It was voted to adjourn at 10:50 p.m.

**REPORT OF THE TRUSTEES OF TRUST FUNDS  
TOWN OF KINGSTON, N.H.  
1971**

Most of our funds were in the Manchester Savings Bank. In 1968 this bank was taken over by a new one bank holding company "The Manchester Corporation". The result of this transaction was that we received a total of \$3,642.27 out of which we paid \$386.35 to the Kingston Fire Dept. The Kingston Historical Museum and the First Congregational Church leaving a net gain of \$3,255.92 which has been prorated to our various Trust Funds.

The name of the bank is now "The Manchester Bank" and is wholly held by the Manchester Corp.

We are pleased to report that a life long resident of Kingston, Grace C. Daley left in her will \$500.00 for the perpetual care of her family cemetery plot in the Kingston Plains Cemetery and \$1000.00 for mowing the common.

We built two field stone posts at the new entrance to the Pine Grove Cemetery and installed chain link fencing across the front so that the cemetery is now fully enclosed except for the entrances.

We also installed chain link fencing across the entire front of the Greenwood Cemetery.

We believe that all public cemeteries should show signs giving them their names; so between now and spring we will install signs at the Greenwood Cemetery and Pine Grove Cemetery. The other three cemeteries are already properly marked.

During the year we sold seven cemetery plots.

## REPORT OF THE LIBRARIAN FOR 1971

The stacks in the adult library were reorganized in the spring. The fiction and biographies are on the right of the librarian's desk and the non-fiction has been shelved numerically on the left.

During National Library Week we had an arts and crafts exhibit, adult movies and the third grade displayed their Indian murals and miniature scenes.

The State Librarian Consultant and her staff held a book-buying meeting in the library in May. Movies of Robert Frost were shown and his books were discussed.

Mrs. Ellen Tobin and Mrs. Dianne Battles generously donated their time during the spring to show movies and hold story hours in the Junior Library.

The Kingston Garden Club again filled the urns at the entrance of the building.

A very successful reading and craft program was held for six weeks during the summer vacation.

Mr. and Mrs. Walter Jones donated a lovely Christmas tree for the Junior Library.

The Recreation Committee sponsored cribbage and chess in the library Wednesday evenings from October through December.

The Friends of the Library held a card party and book sale.

We wish to thank the following book donors: Colleen Aiken, Mrs. David Biesel, Mrs. John Brown, Mrs. Andrew Christie, Miss Marion Clark, Mrs. James Corton, Mr. Ernest Hurlburt, Mrs. George Jones, James and Michael Keegan, Dr. Peter Knost, Mrs. Janet Lavoie, Mrs. Ernestine Meyer, Mrs. Charles Morse, Mr. and Mrs. Norman Stratton, Mrs. Hazel Townsend and Peaslee Park Antiques.

We were also given a subscription to the Christian Science Monitor.

Respectfully,  
Janet Merrick  
Librarian

## TOWN OF KINGSTON PLANNING BOARD

### ANNUAL REPORT — 1971

This report covers the work of the Board as it was constituted prior to Town Meeting in March and the Board as reorganized after Town Meeting.

In January and February there were two meetings and three hearings, all concerned with a proposed Mobile Home Ordinance which failed to pass when voted on by ballot. However, an article to increase Board membership from five to seven was passed.

Mr. Joseph A. Bassett left the Board on completion of his term, having served as Chairman for the past two years. New members were appointed to the 7-member Board and the Board reorganized in March as follows:

Leonard F. Sanborn, Chariman	1972
Mrs. Doris Smith	1973
Herbert M. Federhen III	1974
Norman S. Bailey	1975
Frank E. Murphy	1976
Roland B. Hogan, Secretary	1976
Michael Priore, Selectman, ex officio	

Following Mr. Hogan's resignation in November, Mrs. Alice Meehan was appointed to fill the vacancy and elected Secretary. Eighteen meetings have been held, usually on the first and third Tuesdays of the month.

A study of street lighting referred to the Board at Town Meeting was started immediately. Representatives of the Exeter & Hampton Electric Co. furnished data on existing lights and discussed possible changes. There was no response to an invitation to an open meeting on this subject on September 28. The Board recommended 10 locations and five lights have been installed in 1971.

During the year 8 subdivisions were approved.

The public has been invited to numerous open meetings on the subjects of Zoning, Water Supply, Sewerage Disposal and Regional Planning, beginning in October.

A Zoning Ordinance has been prepared for hearings in January and February, 1972.

The Board recommends that the Town join the Southern Rockingham Regional Planning Commission and will prepare a Warrant Article to that effect.

Chairman  
Alice P. Meehan  
Secretary

## ANNUAL REPORT OF THE KINGSTON FIRE DEPT.

During 1971 your Fire Department responded to a total of 174 Emergency Calls, as follows:

122 Ambulance Calls

87 in Town

35 out of Town

41 Fire Calls

37 in Town

4 out of Town

11 other emergency calls

Early in 1971 the "Fire Dept. Muster Team" purchased from the Town of Dedham, Mass., a 1953 GMC Fire Truck. It was refurbished and painted with muster team labor and money. The Fire Wards equipped it with some fittings and hose. The Firemen's Association purchased and had installed a 1000 gallon per minute front mount pump. This piece of equipment has been intergrated into the Fire Dept., taking the place of the 1950 GMC Tanker, which was becoming very shaky mechanically.

During the month of May, Eastern Coach Sales delivered our new Ambulance. We were most fortunate to be able to purchase a new 1970 Cadillac-Miller Meteor vehicle with the various monies that we had available. The cost of the ambulance was \$14,900. The Town paid \$7,000.; the Association \$3,500.; Capital Reserve Funds \$3,190.04. The balance and extra equipment came from various donations by our citizens. The Kingston Lions Club purchased a new Hi-Band FM 2 way radio which has a unique feature. This feature allows us to hold a 2 way conversation with the personnel in the emergency room of the Exeter Hospital. Eventually this feature will be in all Ambulances and hospitals on a nation wide basis. The volunteers decided it would be advantageous to keep the old Ambulance to use as an off the road vehicle, to take to all fires and to serve as a backup for the new Ambulance. We have had several simultaneous ambulance calls and multi car accidents which required both vehicles to carry all of the victims to the hospital.

During the year 1972, we will be meeting the state requirements for a "Class I" Ambulance Service and be licenses as such.

During 1971 we have held regular drills and instruction sessions Monday evenings. Eight men attended Meadowood and Lily Pond State training schools. Our ambulance personnel have taken the required refresher course in first aid. During 1972 a complete Red Cross Primary and Advanced First Aid Classes will be given to new members and will be available to other persons who may be interested. There is no doubt in my mind that in the near future, we will be required to take many hours of more sophisticated first aid courses.

One major project during 1971 was the installation of four dry hydrants. Two at Greenwood Lake, one at Leafmold Pond and one at the end of Fifth Street, Great Pond Park. These save precious minutes in setting up our pumpers to water sources.

During the year, the volunteer firemen have spend many hours raising funds for equipment, repairing and maintaining our emergency equipment and work about our two fire stations.

As of January 1, 1972, the State Oil Burner Law will be required to be observed in our town. All new installations require an installation permit and inspection before running when a permanent permit is issued if all safety rules are met.

There will be a \$10.00 fee for this service. Reinspections will be \$5.00 each. Any installations previous to 1972, I will perform as a courtesy with no charge to the homeowner. (As time allows and at my convenience.)

This year (1972) the Fire Wards have an Article in the Warrant, to see if the voters will purchase a "Class A Triple Combination" Fire Truck. This piece, if purchased, will be stationed in the South Station, taking the place of the 1948 Ford Tanker. This would mean that both stations would be equipped with an Underwriters Approved "Class A" type fire truck. It would be carrying out a constant program of improving and updating our Fire Dept.

As I look at the size of our town and its growth, six fairly modern trucks should cover our needs in the near future.

If any citizen of Kingston is interested in fire suppression, emergency first aid and rescue, or any of our other activities, feel free to contact me or any fireman. You will be most welcome to join the Firemen's Association and become involved in our activities.

To reach the Fire Dept. for the Ambulances, Fires of Emergencies, dial 642-5512. Please use this number for emergencies only. For information or to reach the Fire Stations, dial 642-3626, or call me direct at 642-5408.

Chief K.F.D.

# REPORT OF THE KINGSTON HISTORICAL MUSEUM

## 1971

The year 1971 was a very successful period for the Kingston Historical Museum.

Through the efforts of several high school students, the Old Firehouse building on Depot Road was completely renovated and restored to it's original condition. The enthusiasm of these young citizens generated more interest amongst the townspeople. Soon the project was completed and we were ready to move in. On August 9, 1971, only two years after the 275th Anniversary which prompted the idea, the museum officially opened. Each Sunday thereafter until cold weather we were opened to the public, and we are looking forward to opening again in the spring.

We wish to thank all those who have helped us preserve Kingston History.

Respectfully submitted,  
Mrs. Dorothy Champion  
chairman

## EXETER AREA VISITING NURSE ASSOCIATION

### ANNUAL REPORT 1971

1971 has been a year of expansion and growth for the Exeter Area Visiting Nurse Association. At present, there are three full-time and four part-time registered nurses, one physical therapist and one secretary-bookkeeper.

A total of 4,591 nursing visits and 1,264 physical therapy visits were made in the ten towns covered by the service.

The Agency provides the services of a Home Health Coordinator to the Exeter Hospital on a part-time basis, thus ensuring the continuity of care for patients requiring extended care when discharged from the hospital to their home.

## REPORT OF THE RECREATION COMMISSION FOR 1971

The Recreation Commission consisting of five members was appointed by the selectmen after the 1971 town meeting. Luella Stevens, William Dod, Priscilla Clark, Arthur Pool, and Frank Gagnon were appointed. Since then Luella Stevens and William Dod have resigned and Nancy Penney and Robert Champagne have been named to fill the vacancies.

A public meeting at Sanborn Science building brought an awareness of the many activities in the community and a need to make them known to the people. As a result a calendar of events was placed at the Library with a request that organizations call in and have their activities placed on the calendar. A bulletin board would then be set up outside to publicize them.

The Commission decided to hold a Sportsman's Day in August. This was to provide the people with a chance to get together for a day of fun. There were children's parades, field events, various contests, exhibits and displays of sports vehicles and equipment. The day concluded with a band concert. The Commission appreciates the help and enthusiasm it received from so many and hopes to hold another Sportsman's Day this summer.

In September the Commission provided some different activities. A woman's physical exercise group met for several weeks in the gym before the start of the basketball season. This was well attended and will be resumed when a time and place can be arranged. Cribbage games which were started at the Library were not attended well enough to continue them. A block dance was held on the plains in October in conjunction with the senior class at Sanborn. A group from the V.F.W. who have snow blowers have volunteered to clear ice anywhere in Kingston for public skating. In February the Commission will work with the P.T.A. on their Craft and Hobby show. The Commission works to support community recreational activities.

An application was made to be one of 16 towns in the state to participate in a new Craft-Reation program. We were not selected.

The Commission visited the Brentwood Youth Center and would like such a building for Kingston however this year it would like to start a summer recreation program under the direction of a paid insturctor. Swimming instruction and supervision for a recreation program one day a week during the school year is also planned.

Respectfully submitted,

Priscilla Clark

Secretary

Financial Statement:

The Recreation Commission was originally funded by a donation of \$100 from the town; and an advancement of \$50 from the Veterans Club and \$25 from the V.F.W., both of which were paid back after the Sportsman's Day event. Additional income has come from the Sportsman's Day, held on the Plains in August, donations from the Woman's Exercise Program and a private donation. The bulk of expenditures was for Sportsman's day. That and other minor costs leave a balance on hand of \$162.54.

Respectfully submitted,

Nancy Penney

Treasurer
